ADMINISTRATIVE PROCEDURES

For Students From Saskatchewan Rivers School Division and Prince Albert Roman Catholic Separate School Division

1. When a parental request is received to accept a student from outside an attendance area, the receiving principal makes the decision with respect to the request after consulting with the principal of the sending school.

A transfer may occur when:

- a) the receiving school has space in the classroom/grade required;
- b) the receiving school is able to provide the program and services required;
- c) the parent provides any necessary transportation to and from school.

For Students From All Other Divisions

1. When a request is made to attend a Saskatchewan Rivers school, written permission of the Director of the home school division must first be obtained.
2. Written application to the Director of the Saskatchewan Rivers School Division is then required.

A transfer may occur when:

- a) the receiving school has space in the classroom/grade required;
- b) the receiving school is able to provide the program and services required;
- c) the parent provides any necessary transportation to and from school.

For Students From Saskatchewan Rivers School Division to Another School Division

1. When a request is made to attend school in a jurisdiction other than Prince Albert Roman Catholic Separate School Division, written permission of the Saskatchewan Rivers Director must first be obtained.
