Everett Baker's Saskatchewan : By Everett Baker	Includes bibliographical references and index. A book filled with images of the province as Baker saw it starting in 1937, when he travelled from town to town as a field man for the Saskatchewan Wheat Pool. Baker's photographs immortalize a unique chapter in Saskatchewan's history. It was the golden age of the co-operative movement in the province, as well as a time of change, with the rise of Tommy Douglas's CCF. The old world was slipping in to the shadow of the new, and Baker was there to capture it before it disappeared.	971.24 BAK

<p>Warrior I have been, A By Richard Green</p>	<p>Bibliography Includes bibliographical references (p. 204-205). Emerging themes of "A Warrior I Have Been" include the importance of trade materials in the evolution of this material culture, as well as the way in which Plains peoples increasingly became the stereotype of the American Indian in general. The museum exhibition for which this catalog is produced aims to trace the evolution of Plains Indian art and culture from early times to the present day, including materials from a wide range of tribal groups. Represented in the exhibition are many items from the author's private collection, as well as others from the collections of Birmingham Museum & Art Gallery and other British museums.</p>	<p>978.004 GRE</p>
