<p>Pow wow trail : grass dance & men's traditional</p>	<p>1 digital video disc. : sd., col. ; 4 3/4 in. One of the most recognizable elements of Native expression is the Pow-wow. But very few people outside the culture understand it. They do not understand the significance of the songs and the dances behind Pow-wow; they do not understand the rites and ceremonies contained within a Pow-wow. They do not understand the meaning of the clans, or why Indian people dance. Here, we explore the true meaning beyond the feathers and beads. Culture lives within the people; it is expressed through those who practice and participate in these celebrations. Episode 5: Grass dance & Men's traditional: Religious in nature. The Grass Dance evolved from warrior society dances. It is one of the oldest dances, and portrays a</p>	<p>DVD 394 POW</p>

The Traditional dance expresses the pride and dignity of the brave warriors of past and present: it is here where Indians honor their past. The best dancers are able to tell a story through their body movements, capturing the courageous thrusts of the battlefield, or the humility of everyday life. At the same time, the viewer may sense the kinship with the land and its relatives.</p>
