Optional Supply Suggestions (to help with organization):

- Zippered Binders- These are an expensive investment, but are essential for students that have a hard time keeping materials together. They are usually well-made and can be used year after year.
- Pencil case and writing materials (pens, pencils erasers, highlighters, reinforcements) **to go in each binder.** –The pencil cases have the holes allow them to remain in the binder. This helps the students make sure they have the necessary materials for each class.
- Colour coordinated materials- Binders and accompanying material can be colour coordinated so that a student can easily identify the proper materials for each class.
- Locker shelves- the lockers are very small and difficult to keep organized. Locker shelves help to keep things organized.
- Label binders with name and subject title (on the front and along the **spine**).
- Magnets for the inside of the locker door.
- Sticky notes- for the inside of the locker door- for little reminders.
- Magnetic baskets for the inside of the locker door, to keep extra pens, pencils, and other materials.
