

Student Personal Information Used Outside of the School or School Division Permission Form

The Local Authority Freedom of Information and Protection of Privacy Act (LAFOIP) requires that parents give permission for the school to use student information for the following purposes:

- The taking of individual, class, team or club photos for school purposes and the use of student photos for student cards or other identification purposes;
- The use of student names on artwork or other creative work or material of students displayed at science fairs, other project displays at school, on a password protected school website or school division sites and school related or sponsored activities;
- The use of student names and pictures on honour rolls or citizenship rolls;
- The use of student names and pictures for graduation ceremonies, scholarships or other awards with the school or school division;
- The use of a student's name, photo, and comments in the school newsletter, yearbook, calendar, graduation publication or other school publications; and,
- The taking of photos/videos of classroom or other school activities by the school division where the material will be used within the school, on a password protected school or school division website.

Permission to Use a Student Photo, Video or Work

You gave permission for the school or school division to use the above information for your child on the Student Registration Form. **However, the school has a project that would have a photo, video or work of your child displayed outside of the school or school division such as on a public Internet Site or in a publication.** Information about this project is attached.

The Saskatchewan Rivers School Division Local Authority Freedom of Information Protection Policy requires written parental/guardian authorization in order to post any student photos or student works on any public Internet Site (e.g. wiki space, blog) or in a school or school division publication.

Please return the authorization information below agreeing or disagreeing to have your child's photo/work posted.

I give permission for the school or school division to use the student information and photo of my child displayed outside of the school such as on a public Internet Site or in a publication.
