		4	91 - 95	93
		4-	86-90	88
Proficiency	3	3+	81-85	83
		3	76-80	78
		3-	71-75	73
Approaching	2	2+	66-70	68
		2	61-65	63
		2-	56-60	58
Beginning	1	1+	50-55	53
		1	43-49	46
		1-	36-42	39

Conversion Table Guidelines:

- The conversion table is applied only when a percentage mark is required (end of term for reporting purposes as required by the Ministry or as needed earlier for students applying for scholarships).
- You can pass a course without passing all of the outcomes.
- Summative results are used to determine the mark. If there is not enough summative information to determine levels of understanding, then formative results may be taken into consideration.
