

Special Project Permission Form Student Personal Information Used Outside of the School or School Division

Due to the Local Authority Freedom of Information Protection Act (LAFOIP), Saskatchewan Rivers School Division (SRSD) requires written parental/guardian authorization in order to post student information (name, grade, school), photographs, video recordings, or student work through any public medium including (a) newspapers, (b) television, (c) internet websites (that are not SRSD password protected), and (d) school or school division publications.

Your child's school or SRSD has a special project that would have your child's personal information (name, grade, school), photo, video recording, or work displayed beyond the school or school division. Information about this project follows.

Special Project Information:

Please sign and return the authorization information below by _____.

I give permission for my child's personal information (name, grade, school), photo, video recording, and/or work to be displayed through this special project. I know that this project will extend beyond the school or SRSD and that it will be accessible to the public through a posting, publication, or internet website.
