DEDICATED TO EXCELLENCE OF MIND AND CHARACTER

"EXCELLENCE FOR EVERY LEARNER"

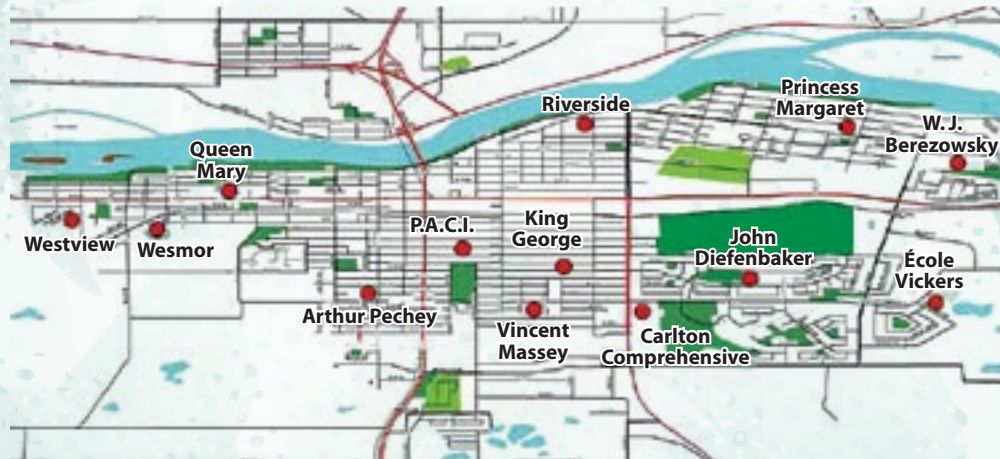

Committed to meeting the needs of your children.

We offer:

- Quality classroom instruction.
- A positive, safe, caring environment for all of our students.
- Support staff in place to assist classroom teachers with students who have special needs, and to help with initiatives such as Early Literacy and Math.
- 16 Pre-kindergarten programs.
- Maximum enrollment of 20 students in any Kindergarten classroom.
- Enhanced use of technology in classrooms with SMARTboards and soundfield systems.
- An extensive Special Education department to meet specific needs of students who require special programming.
- A full complement of high school classes and additional programs such as: carpentry, electrical, welding, cosmetology, commercial cooking and the extension campus programs at Carlton and Wesmor.

Urban Schools

- Schools sensitive to the needs of Aboriginal students lead by an Integrated Learning Consultant to guide the curriculum and ongoing special projects.
- Specialized program to support the needs of second language students of Aboriginal and multi-cultural descent.
- Music/band programs that allow for individual expression in the Arts.
- A K-12 French Immersion program that has guided many students to successful careers.
- Extensive extra-curricular programs that range from Grades 5/6 teams to the social and competitive realities of high school sports.
- A bus fleet transporting 3,450 of our 9,000 rural, urban and high schools students on a daily basis, FREE of charge.
- Impressive, well-maintained schools that instill pride in students, parents, and staff.
