**Goal:** School EL coaches will dive in and explore the Early Literacy data from their school. Time will be spent designing a needs assessment based on the data. Teachers will have a clear understanding of the strengths, areas where improvement is needed, and begin to develop a plan for monitoring student growth in their school.

- So that teachers .....**
- **have a clear understanding of the EL needs of students in their schools**
  - **develop a needs assessment based on the school EL data**
  - **begin to develop a plan to monitor student growth regarding EL screen and DRA reading levels**
- So that students....**
- **benefit from instruction targeted to their current needs**
  - **demonstrate growth in their EL screen and DRA reading levels**
