--	--

Goal: To provide students with the opportunity to engage in learning experiences that foster 21st century skills – (the 4C’s) communication, critical thinking, creativity, and collaboration.

- So that teachers**
- Can create a 21st century learning environment focused the 4C’s
 - Can incorporate project based inquiry learning through Destination Imagination challenges
 - Can provide constructive, ongoing feedback and assessment connected to 21st century skills
- So that students....**
- Are able to use 21st century skills to solve challenges
 - Are able to assess their solutions to challenges individually, and as a group, and make necessary revisions
 - Are equipped with the knowledge and skills necessary to be successful citizens in the 21st century

Who: Date: Time: Location: Facilitator(s): Bring:	Grade 5 teachers and vice principals (VPs do not need to register online) Wednesday, March 20th 1:00-3:30 Seminar East Carla Penner-Henry Laptop
--	---

Overview: Destination Imagination is an initiative that provides students with the opportunity to solve challenges using 21st century skills (collaboration, critical thinking, communication, and creativity) while incorporating math, science, technology, art, practical and applied arts, cross cultural awareness and/or service learning. Pearson’s Classroom Edition provides teachers with the opportunity to incorporate inquiry based learning through challenges and assessment tools that have been correlated to the SK curriculum.
