**Goal: To provide students with the opportunity to engage in learning experiences that foster 21<sup>st</sup> century skills – (the 4C’s) communication, critical thinking, creativity, and collaboration.**

- So that teachers .....**
- Can create a 21<sup>st</sup> century learning environment focused the 4C’s
  - Can incorporate project based inquiry learning through Destination Imagination challenges
  - Can provide constructive, ongoing feedback and assessment connected to 21<sup>st</sup> century skills
- So that students....**
- Are able to use 21<sup>st</sup> century skills to solve challenges
  - Are able to assess their solutions to challenges individually, and as a group, and make necessary revisions
  - Are equipped with the knowledge and skills necessary to be successful citizens in the 21<sup>st</sup> century

**Overview:** Destination Imagination is an initiative that provides students with the opportunity to solve challenges using 21<sup>st</sup> century skills (collaboration, critical thinking, communication, and creativity) while incorporating math, science, technology, art, practical and applied arts, cross cultural awareness and/or service learning. Pearson’s DI Classroom Edition webinar will present ways to incorporate technology, assessment, and instant and team challenges into existing unit plans. The day will be devoted to using Pearson’s DI resources to help teachers plan lessons/units to meet curricular outcomes.
