**Goal: To ensure that current career education practices and available resources are easily accessible and able to meet the career planning needs of our secondary level students.**

**So that teachers .....**

- are able to access the resources needed to assist students with their life and work career plans.
- are able support the career planning needs of secondary level students.

**So that students....**

- become active participants when planning for the future.
- are able to focus on educational pathways when creating their life and work plans.
- are able access the resources needed to create their career plans.
