Goal: To ensure that current career education practices and available resources are accessible in our division in order to meet the career planning needs of our secondary level students.

- So that teachers**
- are able to support students with their educational career plans through the use of myBlueprint.
 - are able to access the resources needed to assist students with their life and work career plans.
- So that students....**
- become active participants when planning for the future.
 - are able to focus on educational pathways when creating their life and work plans.
 - are able access the resources needed to create their career plans.

Overview: As students create their career plans, the emphasis on education becomes apparent. Whether a student is interested in earning a grade 12 diploma or entering post-secondary education, we need to work with all students to assist them in obtaining the education needed to live the lives they are hoping to create. In this workshop, teachers will receive training on myBlueprint, an online resource focused on education. Teachers will also have the opportunity to plan and share ideas and resources with colleagues.

For workshop information contact: Carla Penner-Henry cpennerhenry@srsd119.ca or phone 764-1571
Deadline for Registration: Thursday, September 20th, 2012
Maximum of 30 Participants

Registration will only be accepted through online registration
