Goal:
To provide opportunities for teachers struggling with using all the features of Smart Notebook software to learn from their colleagues with extensive experience with Smart Boards and Smart Notebook.

So that teachers

- Are confident in using their board for more than just a projector
- Have opportunities to ask questions, learn some tips and tricks
- To create, locate, and adapt lessons for their students.

So that students....

- Can participate in teacher created lessons that allow them to be interactive learners up at the board.
