Goal: To provide the CAT team person (and if arranged with admin and Sheri, a partner too) with the foundation to support their school 's **ipads and macbook**. To attend this day your school **MUST have a macbook**, and you should bring the macbook...all schools should have a macbook from the division by this time. Meritage is a wine term for blend. It doesn't matter your level of expertise for this meeting, just that we have only 18 people at the meeting. The other half will have attended in February.
