Goal: Teachers will discuss the importance the environment plays in the teaching of the curriculum. Learnings from Reggio schools in Italy will be shared and discussed. How teachers incorporate literacy into their classrooms will be a focus.

- So that teachers**
- see the connection between the environment and student learning
 - become more familiar with the Reggio approach and its impact
 - network and share ideas regarding the incorporation of literacy learning
 - discuss Help Me Tell My Story assessments and data
- So that students....**
- benefit from engaging instruction founded in play and exploration
 - benefit from strategic instruction directed to their needs.
