Goal:
Teachers to engage in a subject focussed professional learning community.

So that teachers.....

- share common understandings of the alignment between the Division outcomes and curriculum foundational objectives;
- reflect on and refine pedagogical practices; and
- maintain consistency in the area of grading and reporting across the division.

So that students....

- benefit from targeted teaching and purposeful assessment and
- are evaluated using the same criterion referenced standards regardless of school they attend.

Agenda:
We will begin with an overview of the alignment between the Provincial curriculum and Division outcomes for the various subjects. Time will be provided for teacher collaboration using Understanding By Design as a planning framework. There will be opportunity for teachers to raise STUDENTSachieve/Portal questions and share strategies for providing feedback to students and reporting achievement.
