--	---------------------------------------

Goal: To provide time to explore and learn the new features of SMART Notebook 15.2. Please register for this workshop and indicate a .5 day sub or full day sub.

So that all staff members

- Are able to make use of the new features in Smart Notebook 15.2
- Have time to explore the new components and receive help with their own questions.

So that students and parents....

- Are engaged and in charge of their learning by interacting by providing their input into lessons via devices or LAB activities.
