Goal: To provide one participant per school with the foundation to support their school with unique and fun ways of furthering the implementation of Digital Citizenship in their schools.

- So that all staff members**
- Are able to support colleagues with the use and implementation of a maker space in the building.
 - Become Digital Educators, and engage and excite students and colleagues with electronic activities and resources
- So that students and parents....**
- Are able to use curiosity to motivate learning in a 21st century connected world
 - Become Digital Citizens who think outside the box
