

TRANSPORTATION AND ATTENDANCE AREAS

Background

The Division establishes clearly defined bus transportation services by designated attendance area. The Division believes that its primary responsibilities is to provide transportation to students within the Division and within designated attendance areas.

In exceptional circumstances, the Board may in accordance with Board Policy 17, provide transportation outside of attendance areas, outside of the Division, or permit other jurisdictions to provide transportation.

At no time shall the Division enter into transportation agreements with other jurisdictions with respect to providing transportation services if such arrangements cause undue hardship for resident students or compromise Division programs.

2. Students living in rural attendance areas receive Prekindergarten to Grade 12 transportation provided they are attending school in their designated attendance area and are a minimum of 48 months old.

6. All transportation arrangements for out of attendance area or out of Division shall terminate at the end of the school year in which they were made unless a renewal of the arrangement has been approved.
7. Exceptions include those provided by legislation (French Immersion) and specific Board approval. In addition, out of boundary students may access transportation to or from a drop off/pick up within school division boundaries upon administrative approval being granted. Some examples of current approval include First Nations students on reserve, and residents of a National Park.

11. Transportation, as approved by the Director, may be arranged for students whose parents reside in separate homes provided the bus is not required to travel extra miles as the result of the arrangement.
