October 2026

Taanishi,

RE: Invitation to participate

Who should participate: This survey is intended for individuals who self-declare as Métis and are of Métis ancestry. If this does not apply to you, we kindly ask that you not complete the survey. Thank you for your understanding.

Metis Nation—Saskatchewan (MN-S) and Saskatchewan Educational Leadership Unit (SELU) are partnering to conduct a **survey** to gather information on the different areas of K-12 education, with a strong focus on the voices of Métis students, youth, and communities. Our aim is to gain a better understanding of the experiences and challenges of Metis students in schools, and ensure that all perspectives, especially those of Métis children and youth, are fully represented.

Given the important role Métis students play in our community and their valuable perspectives on school experiences, we would be honored to have your students participate in this important survey. Their insights will be essential in helping shape a more inclusive and supportive school environment, and in creating more opportunities for Métis students and communities.

Survey Details:

- Purpose: To collect data on K-12 Education with a specific emphasis on Métis experiences and perspectives.
- Duration: The survey is estimated to take approximately 20 minutes.
- Timeline: November 1st – November 30th
- Confidentiality: All responses will be kept confidential and used solely for the purposes of this study. Your participation is anonymous. No identifiable information will be collected.

You may choose not to respond to particular questions, and you will be able to continue with the rest of the survey. For the open-ended questions, we encourage you not to include specific names of others in your responses. You may choose to quit the survey at any point by closing your browser. Your choice to participate or not will not have an impact on your relationship with MN-S; furthermore, no demographic data or personal identifiers will be collected.

By completing the survey, you are providing consent to participate. Please click the following link to access the survey.
