Saskatchewan Rivers Public School Division
Excellence for Every Learner

BOARD HIGHLIGHTS

November 2, 2026

Board Organizational Meeting

The Board held its annual organizational meeting on November 2, 2026, providing an opportunity to establish leadership for the year ahead. Trustees re-elected Cher Bloom as Board Chair and elected Bill Yeaman as Vice-Chair. Both Chair Bloom and Vice-Chair Yeaman expressed their gratitude for the trust and confidence of their fellow trustees. Together, they reaffirmed their commitment to working collaboratively in support of student success and ensuring that every decision reflects the Board's dedication to excellence for every learner. With a continued focus on strong governance, student achievement, and engagement with families and communities, the Board looks forward to another year of serving the students and communities of SRPSD.

Preventative Maintenance and Renewal Plan

The Board reviewed updates to the Division's 2026-2027 Preventative Maintenance and Renewal (PMR) Plan, which includes investments in roofing, mechanical systems, and other critical infrastructure projects across SRPSD schools. These projects help ensure safe, well-maintained learning environments for students and staff while addressing the Division's highest facility priorities. The Board values the Division's continued commitment to responsible stewardship of public resources and maintaining school facilities that support excellence for every learner.

SRPSD Division Art Show

The Board looks forward to celebrating the creativity and talent of students from across the division at the annual Student Art Show on November 4, 2026, at the Education Centre. The exhibition features student artwork from schools throughout the division, with pieces remaining on display for the school year. Four student artists will be recognized with awards for their art as chosen by an adjudication panel. On behalf of the Board, congratulations to all students whose work have been selected for display. Their art helps bring our commitment to excellence for every learner to life. The Board also extends its appreciation to the staff and families who support and encourage our young artists.

Fall Athletics Successes

The Board congratulates all student-athletes who represented Saskatchewan Rivers Public School Division in football, soccer, and cross-country this fall. On the football field, Carlton Comprehensive Public High School captured the 5A 12-A-Side NSFL Championship, while W.P. Sandin School advanced to the 2A 6-A-Side Provincial semi-final, continuing outstanding seasons for both programs. In soccer, both the Carlton boys and girls teams advanced to the provincial championships, demonstrating tremendous skill, perseverance, and teamwork throughout the season. In cross-country, Matthew Quiring earned an impressive 8th-place finish in the Senior boys division, representing Carlton at the provincial level. These achievements, along with many others at the school and regional levels, are a testament to the dedication of our student-athletes and the coaches, staff, families, and volunteers who support them. The Board extends its sincere appreciation to everyone who helps make extracurricular athletics such a meaningful part of the student experience.
