

To create a parent account for myBlueprint, follow the link and steps below:

<http://myblueprint.ca/srsd>

- Select your school in the blue **new user** box
- Follow the prompts to create an account
  - Note: On the first page when asked for your grade on the bottom of the page you will find the icon to select a parent account.
- In your new myBlueprint account you will find support to:
  - Search and compare colleges and universities
    - Including: entrance requirements, cost and program overviews
  - Search and compare career options
    - Including: education required, wages, job prospects
  - Budgeting and goal setting
  - Create resumes and cover letters
  - Link to your child's account
- For added support to navigate the myBlueprint program please watch the tutorial videos found on the myBlueprint.ca home page or contact your school for additional support.
