3.3 Model of Governance

The Representative Model

In this model, the School Community Council represents the wider school community. Meetings are open to the public but only members of the School Community Council may decide upon matters brought before the SCC. The School Community Council reports to the school community

using a communications strategy, an annual report and the Annual General meeting.

3.4 Voting

On matters requiring a formal vote, only Representative Members of the School Community Council may vote.

3.5 Quorum

A quorum of the School Community Council shall be a majority of the Representative Members.

4. Public Consultation and Communication

The School Community Council will consult and communicate with the school community through the following strategies:

- Letters to parents
- Phoning tree

5. School Community Council Code of Conduct

The School Community Council will adopt the Code of Conduct of the Saskatchewan Association of School Councils which can be found in Appendix B of this constitution.

6. Conflict of Interest

A School Community Council member may occasionally find him/herself in a conflict of interest position in terms of some issue under consideration by the S.C.C. When this happens, the Member should declare that s/he is in a conflict of interest situation and leave the room for the portion of the meeting, thus refraining from participating in the discussion. The Member should not vote on any decision made on the issue.

7. Decision-Making Process

Consensus Building Model

Consensus does not necessarily mean that all parties agree, but that all can live with a decision for the sake of the group's ability to move forward. It requires that all Members listen to each other's opinions and try to find solutions to problems and differences. Consensus will almost always involve compromise and can release a group to move beyond individual wants to determining and pursuing shared needs. Consensus does not necessarily mean that all parties agree, but that all can live with a decision made for the sake of the group's ability to *move forward*.

8. Handling Complaints or Concerns

8.1 Complaints or Concern about an Individual Student or Staff Member

Any matter concerning an individual student or staff member must be directed to the staff member or Principal. It is not the responsibility of the School Community Council to deal with concerns or complaints about individuals other than to direct the concern to the appropriate individual. Board of Education Policy 2040 Parent and Student Concerns outlines the appropriate procedure to resolve complaints or concerns.

8.2 Complaints or Concerns about School Community Council Initiatives or Activities

8.2.1 Informal Complaints or Concerns

Provided School Community Council Members are comfortable in their knowledge and feel at ease expressing themselves, concerns or questions about S.C.C. initiatives or activities expressed informally to members of the School Community Council may be addressed immediately by the Member. If a Member is unsure of the appropriate response, s/he should say so but indicate that s/he will check and get back to the individual. If such a commitment is made the Member must follow through. After responding to the complaint or concern the Member should always ask if their response has been satisfactory. If the individual is not satisfied with the response, the Member should explain how the concern or complaint could be brought to the attention of the School Community Council in a more formal manner.

8.2.2 Formal Complaints or Concerns

Concerns or complaints can be brought to the attention of the School Community Council by addressing the concern in writing to the Chairperson or by requesting that the Chairperson provide the individual with an opportunity to meet with the School Community Council at an upcoming meeting. The School Community Council will provide a written response regarding how they have or will address the concern or complaint.

9 Conflict Resolution Process

The Conflict Resolution Process will be used by the School Community Council to address both internal conflict, which may occur among individuals within the School Community Council and external conflict that may occur between the School Community Council and individuals, groups or organization outside of the S.C.C. The conflict resolution process is outlined in [A Handbook for School Community Councils and Principals](#) (p 99).

If reasonable attempts to resolve the conflict have been unsuccessful, the principal or the chairperson will contact the Superintendent of Schools.

10 Committees

The School Community Council will act in a coordination role for committees operating in support of the S.C.C. and the school program.

11 Amend the Constitution

The School Community Council may amend its constitution by sending suggestions for change in writing to the Board of Education.
