

BOARD POLICY HANDBOOK

Saskatchewan Rivers Public School Division

May 2014

This Board Policy Handbook has been developed to highlight and support the very important governance function of the Board. In addition to clearly defining the role of the Board, the role of the Director of Education and the delegation of authority from the Board to the Director of Education, it includes the following as policies:

1. Foundational statements which provide guidance and direction for all activities within the Division;
2. Directions for how the Board itself is to function and how individual trustees are to conduct themselves; how Board committees and representatives are to function;
3. Statements as to how appeals and hearings will be conducted;
4. Non-delegable matters such as policy-making and school closures; and
5. Specific matters which the Board has chosen not to delegate to the Director of Education.

This Board Policy Handbook is intended to be supplemented by an Administrative Procedures Manual; the primary written document by which the Director of Education directs staff. The Administrative Procedures Manual must be entirely consistent with this Board Policy Handbook.

The development of two separate and distinct documents is meant to reinforce the distinction in this Division between the Board's responsibility to govern and the Director of Education's executive or administrative duties.

It is to be noted that the electronic versions of both the Board Policy Handbook and the Administrative Procedures Manual as well as any other handbooks/manuals referenced are always the most current documents available.

Logo

The purpose of the Saskatchewan Rivers Public logo is to visually represent our brand and effectively communicate who we are as a division. The two rivers represent the North and South Saskatchewan Rivers which meet within the boundaries of the school division. The trees also refer to our location in the parklands area of the province. The word public is significant as it speaks to our commitment to serve all children in our area. This logo may not be duplicated without express permission from the Division.

Policy 3

ROLE OF THE TRUSTEE

Trustees are elected in accordance with the [Local Government Election Act](#).

The role of the trustee is to contribute to the Board as it carries out its role in order to achieve its mission, vision, beliefs and commitments. The Board believes that its ability to fulfill its obligations is enhanced when leadership and guidance are forthcoming from within its membership.

The Board is a corporation. The decisions of the Board in a properly constituted meeting are those of the corporation. A trustee who is given corporate authority to act on behalf of the Board may carry out duties individually but only as an agent of the Board. In such cases, the actions of the trustee are those of the Board, which is then responsible for them. A trustee acting individually has only the authority and status of any other citizen of the Division.

As a result of elections, the Board may experience changes in membership. To ensure continuity and facilitate smooth transition from one Board to the next following an election, trustees must be adequately briefed concerning existing Board policy and practice, statutory requirements, initiatives and long-range plans. The Board believes an orientation program is necessary for effective trusteeship. The Board Chair will write a letter to accompany the nomination package which outlines the dates and times for orientation sessions, organizational meetings and subsequent meetings in the first month.

1. The Division will offer an orientation program for all newly elected trustees that provides information on:
 - 1.1 Role of the trustee, the Board and the Director;
 - 1.2 Delegation of authority to the Director and related accountability mechanisms including CEO evaluation process criteria and timelines;
 - 1.3 Organizational structures and procedures of the Division, and governance tools used by the Board;
 - 1.4 The Board Policy Handbook, agendas and minutes;
 - 1.5 Existing Division initiatives, annual reports, budgets, financial statements and long-range plans;
 - 1.6 Division programs and services;
 - 1.7 Board's function as an appeal body; and
 - 1.8 Statutory and regulatory requirements, including responsibilities with regard to conflict of interest.
 - 1.9 The legacy document and board annual work plan.
2. New trustees are required to attend the orientation session(s).
3. The Division will provide financial support for trustees to attend Saskatchewan School Boards Association sponsored orientation seminars.

4. The Board Chair, Vice-Chair in consultation with the Director will ensure the development and implementation of the Division's orientation program for newly elected trustees.
5. Incumbent trustees are encouraged to help newly elected trustees become informed about the history, functions, policies, procedures and issues.

Specific Responsibilities of Individual Trustees

The trustee shall:

1. Become familiar with Division policies and procedures, meeting agendas, and reports in order to participate in Board business.
2. Refer governance queries, issues and problems not covered by Board policy to the Board for corporate discussion and decision.
3. Refer administrative matters to the Director. The trustee, upon receiving a complaint from a parent or community member about school operations, will refer the parent or community member back to the school and will inform the Director of this action if administrative action is desired.
4. Keep the Board and the Director informed in a timely manner of all matters coming to his/her attention that might affect the Division.
5. When requested, provide the Director with counsel and advice, giving the benefit of the trustee's judgment, experience and familiarity with the community.
6. Attend meetings of the Board; participate in, and contribute to, the decisions of the Board in order to provide the best solutions possible for the education of children within the Division.
7. Respectfully bring forward and advocate for local issues and concerns.
8. Accurately communicate the decisions of the Board and refrain from making any statements that may give the impression that such a statement reflects the majority decision of the Board when it does not.
9. When delegated responsibility, exercise such authority within the defined limits in a responsible and effective way.
10. Participate in Board/trustee development sessions so that the quality of leadership and service in the Division can be enhanced.
11. Share the materials and ideas gained from a trustee development activity with fellow trustees at the next available opportunity.
12. Strive to develop a positive learning and working culture both within the Board and the Division.
13. Attend School Community Council meetings as requested and/or when possible.

14. Attend significant Division or school functions when possible.
15. Become familiar with, and adhere to, the Trustee Code of Conduct.
16. Report any violation of the Trustee Code of Conduct to the Board during a closed session following the prescribed process for adding items to the agenda.

SSSBA Code of Ethics

TRUSTEE CODE OF CONDUCT SANCTIONS

1. The Trustee Code of Conduct requires that the Board commit itself and its members to ethical and appropriate conduct. Failure of a trustee to conduct him/herself in compliance with this policy may result in the Board instituting sanctions.
2. In particular, the Trustee Code of Conduct requires that trustees shall respect the confidentiality appropriate to issues of a sensitive nature.
3. Failure to comply with this requirement constitutes a failure of security. An individual trustee may bring a suspected breach of security to the attention of the Board, at a closed meeting of the Board. If by majority vote the Board agrees that a failure has occurred, the failure shall be recorded by the Board and the following procedure shall be invoked:
 - 3.1 The Board Chair shall request that the Director for the Saskatchewan Rivers Public School Board of Education (as head of the Saskatchewan Rivers Public Board of Education under [The Local Authority Freedom of Information and Protection of Privacy Act](#)), appoint an independent investigator to review this matter. This request may occur only after such a motion has been discussed and agreed to by a majority of trustees present at a closed meeting of the Board. This decision shall immediately be approved in a public meeting of the Board.
 - 3.2 The independent investigator shall conduct an investigation and submit a report of findings and recommendations to the Board Chair and to the Director.
 - 3.3 The Board Chair shall present at a closed meeting of the Board, the report of the independent investigator. At this time, the trustee in question shall have an opportunity to present any additional, relevant information.
 - 3.4 If it is determined by a majority vote of the Board that a willful violation of security has occurred, for a first occurrence, a motion to write a letter of censure marked “Personal and Confidential” is required to be discussed and agreed upon by a majority of trustees present at a closed meeting of the Board. This decision requires immediate approval by a majority vote of trustees at a public meeting of the Board.
 - 3.5 For subsequent occurrences, a motion of censure against the trustee in question may be brought directly to a public meeting of the Board. This motion shall be approved by a majority vote of trustees present at such a meeting.
 - 3.6 The Board may additionally remove the offending trustee from some or all of the positions to which the Board may have appointed the trustee.

4. For a violation of all other sections of the Code of Conduct corrective measures may include:
- An aggrieved trustee going to the offending trustee to seek resolution if the matter is between those trustees;
 - The Board Chair and Vice-Chair meeting with the offending trustee to seek resolution,
 - Having the matter discussed in an in-camera session of the board to seek resolution;

Policy 7

ROLE OF THE DEPUTY CHAIR

In order to build system capacity the Board has chosen to institute the concept of a deputy chair position. The deputy chair serves in accordance with a rotation approved at the annual organizational meeting. The role consists of chairing the closed session portion of all regular, special and committee of the whole (formerly Management meeting) Board meetings. A trustee selected to the deputy chair position normally serves for a period of three months.

1. Specific duties include:
 - 1.1 Ensure that such meetings are conducted in accordance with *The Education Act, 1995* the policies and procedures as established by the Board and Robert's Rules of Order;

 - 1.3 Display firmness, courtesy, tact, and impartiality;
 - 1.4 Ensure that each trustee has a full and fair opportunity to be heard and understood by the other members of the Board;
 - 1.5 Ensure that debate is relevant. The Board Chair, in keeping with his/her responsibility to ensure that debate must be relevant to the question, shall, when s/he is of the opinion that the discussion is not relevant to the question, remind members that they must speak to the issue;
 - 1.6 Decide questions of order and procedure, subject to an appeal to the rest of the Board. The Board Chair may speak to points of order in preference to other members;

Policy 8

BOARD OPERATIONS

The Board shall hold meetings at least six times per year as per *The Education Act, 1995* and as often as is necessary. A quorum, which is a simple majority of the number of trustees, must be present for every duly constituted meeting.

No act, proceeding or policy of the Board shall be deemed valid unless adopted at a duly constituted meeting. All requests to have reports prepared, or information gathered, by administration shall be approved by Board resolution.

The Board has adopted policies so that the business of the Board can be conducted in an orderly and efficient manner. Respectful behavior preserves the inherent dignity of everyone; therefore it is important that Board meetings be conducted in an environment that is productive, orderly and respectful of trustees, staff and members of the public. The organization of the Board meeting will effectively enable trustees and others in attendance to participate in an atmosphere of mutual respect.

In all matters of procedure not covered in the Board Policy handbook, Robert's Rules of Order shall apply. However, notwithstanding the foregoing, the will of the majority of Board members present shall prevail.

The Board believes that its fundamental obligation is to preserve and enhance the public trust in education, generally, and in the affairs of its operations in particular. Consistent with its objective to encourage the general public to contribute to the educational process, Board meetings will be open to the public. Towards this end, the Board believes its affairs must be conducted in public to the greatest extent possible.

The Board believes there are times when public interest is best served by private discussion of specific issues in closed sessions. The Board believes it is necessary to protect individual privacy and the Board's own position in negotiating either collective agreements or contracts and therefore expects to go into closed session for issues dealing with individual students, individual employees, land, labour, litigation or negotiation.

The Board further believes public interest can be enhanced by having members of the public make presentations at Board meetings.

- 5.10 The Board shall, during the closed session, adopt only a resolution to rise and report to the open public Board meeting.

6. Agenda for Regular Meetings

The Board Chair and Director are responsible for establishing the agenda for Board meetings, in accordance with legislation and Board policy in particular the Board Annual Work Plan.

Agendas shall include all the data and background, information, rationale and a recommendation so that the Board is able to make sound and objective decisions consistent with established goals.

 - 6.3.5 Although the Board seeks to minimize items being added without proper notice issues that require Board action may arise after the agenda has been prepared. Changes to the agenda may be made by a majority of those present.

- 8.1 The minutes shall record:
- 8.1.1 Date, time and place of meeting;
 - 8.1.2 Type of meeting;
 - 8.1.3 Name of presiding officer;
 - 8.1.4 Names of those trustees and senior administration in attendance;

- 8.2 The minutes shall:
- 8.2.1 Be prepared as directed by the Director and distributed to trustees and such other persons as directed by the Board as soon after each meeting as is convenient;
 - 8.2.2 Be reviewed by the Director prior to submission to the Board;
 - 8.2.3 Be considered an unofficial record of proceedings until such time as adopted by a resolution of the Board; and

- 8.5 As part of its ongoing effort to keep staff and the public fully informed concerning its affairs and actions, the Board expects the Director to institute and maintain effective and appropriate procedures for the prompt dissemination of information about decisions made at all Board meetings.
- 8.6 The approved minutes of a regular or special meeting shall be posted to the website as soon as possible following approval. The Director is responsible to distribute and post the approved minutes.

9. Motions

Motions do not require a seconder.

9.1 Notice of Motion

The notice of motion serves the purpose of officially putting an item on the agenda of the next or future regular meeting and gives notice to all trustees of the item to be discussed. A notice of motion is not debatable and may not be voted on.

9.2 Discussion on Motions

Normally, the custom of addressing comments to the Board Chair is to be followed by all persons in attendance.

Once a motion is before the Board and until it is passed or defeated, all speakers shall confine their remarks to the motion or to the information pertinent to the motion. Motions may be submitted by any trustee, including the Board Chair.

9.3 Speaking to the Motion

The Board Chair will endeavor that all trustees have an opportunity to speak to the motion.

A trustee may speak to a motion twice, unless replying to a question, in which case the member may speak a third time. The mover of a motion may speak a third time and thereby close the debate on the question. This limitation shall not apply in committee meetings. The Board may, by majority vote, approve extended discussion of any subject.

The Board Chair will normally speak just prior to the last speaker who will be the mover of the motion.

As a general guide, a trustee should not speak longer than five minutes on any motion. The Board Chair has the responsibility to limit the discussion by a trustee when such a discussion is repetitive or digresses from the topic at hand, or where discussion takes place prior to the acceptance of a motion.

No one shall interrupt a speaker, unless it is to ask for important clarification of the speaker's remarks, and any such interruption shall not be permitted without permission of the Board Chair.

Normally, administration will not participate in the debate, but upon request or where otherwise appropriate, may provide information.

Amendments to the motion may be proposed at any time during discussion. No more than two amendments may be made before the meeting at one time. Discussion and voting on motions and amendments takes place in reverse order of their proposal.

Motions or amendments may be withdrawn only with the unanimous consent of the trustees present.

A "point of order" may be raised by a trustee at any time. The "point of order" must be stated definitively and conclusively. The chair shall decide without debate if the "point" has merit.

Should a trustee arrive at the meeting after a motion has been made and prior to taking a vote, the trustee may request further discussion prior to the vote. The Board Chair shall rule on further discussion.

9.4 Challenging the Board Chair

Any trustee may challenge the ruling of the Board Chair. The member states the reason(s) for the appeal, and the Board Chair states the reason(s) for the ruling. There is no debate. The Board Chair then asks, "May I have a motion to sustain the Board Chair?" A simple majority decides the issue.

9.5 Reconsideration Motion

A rejected motion shall not be re-introduced during the same meeting unless a majority of the trustees present approve a motion "That the question be re-considered". Said motion is not debatable and calls for an immediate vote.

9.6 Reading of the Motion

A trustee may require the motion under discussion to be read at any time during the debate, except when a trustee is speaking.

9.7 Entitled Votes

All trustees, including the Board Chair, are entitled to vote on all motions, except in the case of a conflict of interest, as defined by Section 69 of *The Education Act, 1995*.

While all trustees are encouraged to vote on all motions, except in the case of conflict of interest, a trustee has the right to abstain from voting. An abstention shall not be considered a vote for or against.

9.8 Recorded Vote

Whenever a recorded vote is requested by a trustee before the vote is taken, the minutes shall record the names of the trustees who voted for or against the matter, or abstained. Immediately after a vote is taken and on the request of a trustee, the minutes shall record the name of all trustees and whether each trustee voted for or against the matter or abstained.

9.9 Required Votes

Each question shall be decided by a majority of the votes of those trustees present. A simple majority of a quorum of the Board will decide in favour of the question. In the case of an equality of votes, the question is defeated. The result of the vote is announced by the Board Chair.

A vote on a question shall be taken by open vote, expressed by show of hands, except the vote to elect the Board Chair or Vice-Chair, which is by secret ballot.

While all trustees are encouraged to vote on all questions and motions, except in the case of a conflict of interest, a member has the right to abstain from voting. An abstention shall not be considered a vote.

9.10 Tabling motion

A motion to table a motion shall not be subject to debate, but the question may be debated when the motion is lifted from the table.

10. Delegations to Board Meetings

The Board may make provision for delegations to make a presentation at a Board meeting in the interest of improving the education provided in Division schools.

Individuals or organizations may make requests for audiences with the Board.

10.1 Delegations wishing to appear before the Board are required to give notice, in writing, to the Board Chair at least seven full days before the meeting at which they are to be heard. The Director or Board Chair has the authority to waive the time requirement.

10.2 Individuals or organizations who appear at a Board meeting without making prior arrangements and who wish to act as a delegation will not be allowed to do so, unless the reason for the delegation is deemed by the Board Chair, in consultation with the Director, to be either an emergency or in the best interests of the Board to be heard.

10.3 When scheduling an appointment, delegations should:

10.3.1 State the nature of the subject that they intend to bring before the Board,

10.3.2 Provide a written submission prior to the presentation,

10.3.3 Identify the spokesperson for the group,

10.3.4 Provide an estimate of the number of people who will be in attendance,

10.3.5 Be prepared to speak to, as opposed to reading, the submission.

10.4 Matters deemed to be of a sensitive and/or confidential nature shall be heard at a closed session of the Board.

10.5 The Board reserves the right to invite delegations to appear before the Board.

10.6 At the time of presentation, the delegation shall confine its discussion to the purpose stated in the notice.

10.7 Normally delegations will be given a maximum of 15 minutes to make their presentation. Additional time determined at the discretion of the Chair will be provided for the Board to ask questions and/or seek clarification.

10.8 In discussing matters with a delegation, the Board Chair shall act as spokesperson for the Board. It must be remembered that delegations come to express problems, make suggestions and requests, and give information thereon. For this reason, individual trustees may seek only clarification of items presented by the delegation. At no time during the presentation shall any trustee voice her/his opinion thereon; nor shall s/he, by any statement, commit the Board to any specific course of action.

10.9 Except in an emergency, the Board shall refer any action relative to the delegation's presentation until the next regular Board meeting. Such tabling shall be used to give individual trustees sufficient time to consider the information supplied by the delegation. If the time between the delegation's presentation and the next Board meeting is deemed insufficient for the

trustees to gain the necessary information to make an informed decision, the Board may respond by delaying the decision until another specified, appropriate time.

- 10.10 Upon completion of the presentation, the Board Chair shall inform the delegation when the decision will be made. When a decision is reached, it will be communicated in writing to the spokesperson.

11. Audio/Video Recording Devices

Anyone wanting to use recording devices at any meeting of the Board shall seek permission of the Board Chair.

12. Trustee Conflict of Interest

The Board is of the firm conviction that its ability to discharge its obligations is dependent upon the confidence of the residents of the Division placed in its Board and in its trustees. The trustee:

- 12.1 Is expected to be conversant with Sections 69, 70 and 90 of *The Education Act, 1995* and with the conflict of interest provisions of Policy 4 – Trustee Code of Conduct.
- 12.2 Is responsible for declaring him/herself to be in possible conflict of interest.
- 12.3 Shall make such declaration in open meeting prior to Board or committee discussion of the subject matter which may place the trustee in conflict of interest.
- 12.4 It shall be the responsibility of the trustee in conflict to absent him/herself from the meeting in accordance with the requirements of *The Education Act, 1995* and ensure that his/her declaration and absence is properly recorded within the minutes.

Policy 11

POLICY MAKING

Policy development is a key responsibility of the Board. Policies constitute the will of the Board in determining how the Division will operate. Board Policies shall be maintained in the Board's Policy Handbook. Motions of the Board which have a continuing application shall be incorporated into an existing or new policy and placed in the Board Policy Handbook as soon as possible.

The Board shall be guided in its approach to policy making by ensuring adherence to the requirements of *the Education Act, 1995* and other relevant provincial and federal legislation and the Foundational Statements contained in Policy 1 – Foundation Statements. Further, the Board believes that the development and review of policies are enhanced when the process allows for the meaningful involvement of staff and other interested groups and persons when the policy affects those other than the Board.

All Administrative Procedures developed by the Director shall be consistent with and subordinate to Board Policy.

The Board shall adhere to the following stages in its approach to policy making:

1. Planning
The Board, in cooperation with the Director, shall assess the need for a policy, as a result of its own monitoring activities or on the suggestion of others, and identify the critical attributes of each policy to be developed.
2. Development
The Board may develop the policy itself or delegate the responsibility for its development to the Director or engage outside assistance.
3. Implementation
The Board is responsible for the implementation of policies governing its own processes. The Board and Director share the responsibility for implementation of policies relating to the Board-Director relationship. The Director is responsible for the implementation of the other policies and the director is responsible for making the boards will as expressed in policy a reality.
4. Evaluation
The Board, in cooperation with the Director, shall review each policy in a timely manner in order to determine currency and if it is meeting its intended purpose.

Specifically

1. At times board policy or Administrative Procedures is required as a result of provincial or federal legislation.
2. Suggestions or recommendations in regard to new or existing policy may be made to the Director at any time. Such suggestions or recommendations shall be submitted in writing to the Director and include a brief statement of purpose or rationale. Any trustee, elector or staff member may initiate proposals for new policies or changes to existing policies.
3. Normally, requests for new policy or amendments to existing policy originating from schools will be directed through the Principal to the Director.
4. Policy development or revision may also be initiated as a result of a public consultation, survey, needs assessment or policy evaluation.
5. The Director shall be responsible to prepare policy proposals as follows.
 - 5.1 If the Board requests that a new policy be drafted or an existing policy be reviewed for possible amendment, the Director shall implement procedures to develop a draft proposal.
 - 5.2 Draft proposals may be developed in consultation with advisory committees, various employee groups, senior administrative staff, or outside agencies and consultants.
 - 5.3 The engagement of outside agencies or consultants to assist in policy development shall require prior approval of the Board if the total anticipated costs will exceed budget approved allocations.
6. When appropriate, the Director shall seek legal advice.
7. The final draft of the policy or amendments shall be presented to the Board for its consideration and approval.
8. Only those policies which are adopted and recorded in the minutes constitute the official policies of the Board.
9. In the absence of existing policy, the Board may make decisions, by resolution, on matters affecting the administration, management and operation of the Division. Such decisions carry the weight of policy until such time as specific written policy is developed.
10. The Board may request the Director to change an Administrative Procedure to a draft Board policy. In doing so, the Board will provide rationale.
11. The Board may also delete a policy and subsequently delegate the Director. The Director must inform the Board in a timely manner in a Board agenda of any substantive changes to Administrative Procedures.

12. The Director shall arrange for all Board policies and Administrative Procedures and subsequent revisions to be posted on the Division's website, in a timely manner, for staff and public access.
13. The Board shall review each policy annually.

- Includes the ability to enact Administrative Procedures, regulations or practices required to carry out this authority; and
- Includes the ability to sub-delegate this authority and responsibility as required.

Notwithstanding the above, the Board reserves to itself the authority to make decisions on specific matters requiring Board approval. This reserved authority of the Board is set out in Board policies, as amended from time to time.

Further, the Board requires that any significant new provincial, regional or local obligations must be initially brought to the Board for discussion and determination of decision-making authority.

Specifically

1. The Director is directed to develop an Administrative Procedure to fulfill the Board obligations created by federal, provincial or local legislations which are not covered through Board policy.
2. The Director is delegated authority for implementing the requirements of the LAFOIPP or its successor legislation.
3. The Board authorizes the payment of accounts for expenditures incurred within the approved Budget or specific Board decisions and in accordance with Board policy and generally accepted accounting principles, and delegates to the Director responsibility for certification of such payments.

DIRECTOR/CEO EVALUATION PROCESS, CRITERIA & TIMELINES

Features of the Evaluation Model

The evaluation process, criteria and timelines as described in this document:

1. Provides for both growth and accountability, and the strengthening of the relationship between the Board and the Director. The written report will affirm specific accomplishments and will identify growth areas. Some growth goals will address areas of weakness while others will identify areas where greater emphasis is required due to changes in the environment.
2. Recognizes that the Director is the Chief Executive Officer. The Director is held accountable for work performed primarily by other senior administrators, e.g., fiscal management.
3. Emphasizes the need for and requires the use of evidence for evaluation purposes. Evaluations are most helpful when the evaluator provides concrete evidence of strengths and/or weaknesses. The Performance Assessment Guide identifies the source of the evidence in advance, while the quality indicators describe expectations in regard to that evidence.
4. Is aligned with and based upon the Director's roles and responsibilities. The Roles and Responsibilities statement is aligned with this evaluation document.
5. Is linked to the Division's goals. The Continuous Improvement Planning and Reporting section directly links the Director's performance to the continuous improvement planning and reporting process, which includes the Division's goals.
6. Sets out standards of performance. The quality indicators in the Performance Assessment Guide set out initial standards. When growth goals are identified, additional standards will need to be set to provide clarity of expectations and a means of assessing performance.
7. Is also a performance-based assessment system. Such an evaluation focuses on improvement over time. The second and subsequent evaluations take into consideration the previous evaluation, and an assessment of the Director's success in addressing identified growth areas.
8. Uses multiple data sources. Objective data such as audit reports and Saskatchewan Education monitoring reports, and student achievement data are augmented with subjective data provided in division surveys.
9. Elicits evidence to support subjective assessments. This must be the case when the Board provides feedback regarding the CEO's work relative to Board agendas, committee and Board meetings, etc.
10. Ensures Board feedback is provided regularly. Such feedback will be timely, supported by specific examples, and will focus on areas over which the Director has authority.

Process for Evaluations

It is the responsibility of the Director to provide evidence that each role expectation has been met during the evaluation period. This evidence portfolio must be provided to the Board at least one week in advance of the evaluation workshop, which will involve the Board, the Director and an external facilitator. The Director will only be absent from the room for the period when the Board constructs the conclusion section. The evidence examined will be in the form of an internal report or external report. The Board will review the indicated evidence and will determine whether, or to what extent, the quality indicators have been achieved. In addition, the corporate Board will supplement the evidence contained in the evidence portfolio with agreed-upon direct Board observations. For example, this would be most evident in the section Board/Director Relations.

During the evaluation workshop, a written evaluation report will be facilitated which will document:

- the evaluation process,
- evaluation context,
- assessments relative to each of the criteria noted in Appendix A,
- an examination of progress made relative to any growth goals or redirections identified in the previous year's evaluation,
- identification of any growth goals if deemed appropriate, and
- a conclusions section followed by appropriate signatures and dates.

The assessments contained in the evaluation report will reflect the corporate Board position. This report will be approved by Board motion. A signed copy will be provided to the Director and a second signed copy will be placed in his personnel file.

Criteria for Evaluations

The criteria for the first evaluation will be those role expectations and quality indicators set out in Appendix A – Performance Assessment Guide, which is intended to clarify for the Director performance expectations that are held by the corporate Board. This guide is also intended to be used by the Board to evaluate the performance of the Director in regard to each job expectation. The Board will review the indicated evidence and will determine whether, or to what extent, the quality indicators have been achieved.

In subsequent evaluations, the criteria will be those defined by the Performance Assessment Guide as listed or revised after each evaluation, plus any growth goals provided by the Board in previous written evaluation report(s). Such growth goals may be areas requiring remediation or actions which must be taken to address trends, issues, or external realities such as an increased emphasis on capital construction due to an increased number of approvals.

Timelines for Evaluations

Evaluations will be conducted in accordance with this document according to the following schedule:

EVALUATION	BASED ON PERIOD	REPORT DELIVERED TO DIRECTOR
First	August 1, 2011- July 31, 2012	October 15, 2012

VIABLE SCHOOLS

The Board, in its efforts to provide meaningful learning experiences that reflect what is best for students and to assist students in developing their full potential, recognizes that it needs to maintain viable schools and classrooms within the context of the entire Division.

In order to ensure quality education for its students, the Board may, from time to time, have to review the operation of one (1) or more of its schools and consider discontinuing one (1) or more grades offered in a school or closing schools.

A SCC may initiate the review process by recommending to the Board that the school they represent be reviewed according to this policy.

Therefore, the Board will adhere to the following guidelines of operation with regard to determining the possible review status of a school. Review status is an opportunity to explore the facts; it does not necessarily mean the school will be closed. These guidelines will provide a process and procedure so that school review can be clearly predicted, giving people assurance as to how and when a decision process might be initiated.

Specifically

1. Legislative Conditions for Review

[The Education Act, 1995](#) and the Education Regulations set out the process and criteria around school reviews for closure or grade discontinuance.

Pursuant to Section 95.8 of the Education Regulations, the Board may only carry out a review of a school pursuant to Section 87.2 of the Act if the following conditions are met:

- 1.1 For students in kindergarten to Grade 8 who are enrolled in the school:
 - 1.1.1 The nearest school is not more than forty (40) kilometres from the school under review, based on the shortest route by regularly maintained roads;
 - 1.1.2 At least ninety per cent (90%) of those students live within seventy-five (75) minutes of the nearest school if travelling by motor vehicle under normal driving conditions;
 - 1.1.3 The Board arranges for alternative transportation that minimizes the transportation time for those students who live more than seventy-five (75) minutes from the nearest school; and

- 1.2 Projected enrolment for the school under review for the following school year is less than:
 - 1.2.1 For a school offering kindergarten to Grade 4 only, twenty-five (25) students;
 - 1.2.2 For a school offering kindergarten to Grade 5 only, thirty (30) students;
 - 1.2.3 For a school offering kindergarten to Grade 6 only, thirty-seven (37) students;
 - 1.2.4 For a school offering kindergarten to Grade 7 only, forty-four (44) students;

 - 1.2.6 For a school offering kindergarten to Grade 9 only, fifty-eight (58) students;
 - 1.2.7 For a school offering kindergarten to Grade 12 only, eighty-eight (88) students.

2. School Review Criteria

Pursuant to Section 95.81 of the Education Regulations, in carrying out a review of a school pursuant to Section 87.2 of the Act, the Board shall consider the following:

4. Review Process

- 4.1 Consultation Process with SCC

Once a school is placed in review status, the Board will consult with the SCC and the community in accordance with the process set out in *The Education Act, 1995*.

 - 4.1.1 If the SCC consents to closure or grade discontinuance, the Board will make the appropriate motion.

- 4.1.2 If the SCC does not agree to the closure or grade discontinuance, the process continues as outlined below.
