

W.P. SANDIN HIGH SCHOOL

Affinity Credit Union Scholarship

Affinity Credit Union, Shellbrook District is offering two \$750.00 and two \$500.00 entrance scholarships to all graduation students of Canwood, Leask, Blaine Lake and Shellbrook who will be attending any post secondary education.

Criteria:

- *Applicants or their immediate family (parent or guardian) must be a member of Affinity Credit Union for at least one year prior to the application date.*
- *Proof of fulltime enrollment is required from any post secondary institution prior to disbursement of funds.*
- *The scholarships will be drawn for by lot with the application deadline of July 1st.*

Vance Tait Memorial Scholarship \$300.00

Vance was a member of the Kinsmen Club of Shellbrook who lost a courageous battle with leukemia. With Vance's strong community spirit in mind, the Kinsmen established the Vance Tait Kinsmen Memorial Scholarship in his memory. This scholarship is to be given to a student in our community with the same strong morals that were displayed by Vance. Students apply directly to the Kinsmen to be considered for this award.

Criteria:

- *Applications include a letter of reference, a completed application form and an essay on "Why Volunteerism is Important."*

Students need to fill out:

- personal information
- proposed program of study
- extra-curricular activities
- community service and volunteer activities

Selection committee is the Kinsmen Group of Shellbrook who awards the scholarship to the applicable candidate.

Deadline is May 30 of current school year

Brian "Mr. T" Tremblay Scholarship - Combining Athletics and Academic Excellence (on behalf of the Tremblay and Parent families)

Mr. Brian Tremblay, or referred to as Mr. T, taught at W.P Sandin school for 11 years until his passing in February 2013.

Mr T. had a desire for learning. His first step along his academic journey consisted of a high school diploma. Then applying to the University of Saskatchewan and enrolling three years in the College of Engineering for Electrical Engineering, one year of Commerce and further obtaining a Bachelor of Physical Education Degree and Bachelor of Education Degree with a major in mathematics.

He wanted the same for his students and encouraged them to continue to learn as he did, and he was a demonstration of his values and beliefs. His passion for learning resonated out of the school and into his personal life. He loved seeing students learn skills that were applicable not just in school, but also in life.

He recognized life needed a consistent balance between academics and athletic involvement and with that came sport. With Mr. T, the more variety the better, whether it be a team sport like football, individual like snowboarding or a lifelong sport like cross country skiing and golfing, they were a major component of his life. He spent countless hours coaching team or individual sports and encouraged students to find their one or many sport and achieve to their potential.

Criteria:

- Awarded to a student who demonstrates the same passion for learning and balances academics with involvement in sport. The grade 12 student must also be accepted into a post-secondary education program working toward a career that will ensure lifelong learning as Mr. T pursued.
- The candidate will be selected by the Tremblay and Parent families

Billy Simington Scholarship - \$250.00

Criteria:

The Billy Simington Scholarship is for a student who "achieves academically and has been involved in sports and school affairs as well as possessing leadership qualities". If there is not a student that fits these qualifications, then a student with a higher average can be selected.
