- Small, safe and friendly school

A tour of Wesmor and a chance to meet the teachers can be arranged through your child's current school.

"Wesmor is great because of the block system. You only have to worry about three subjects a block. It is also great because the teachers are friendly and you make friends easily."

- Kayla, grade 9

"I like Wesmor because I can be myself."

- Patrick, grade 9

"I like Wesmor because the teachers are friendly and the classes are awesome."

- Chassidy, grade 9

"The block program at this school is easy for anyone to adjust to because you can work at your own pace."

- Tim, grade 9

Grade 9 Program Information

Regular Grade 9

Our Regular Grade 9 is the same as Grade 9 throughout the Province.

Transitions 9

The Transitions Program is designed for students who may struggle academically. The highlight of this program is our ability to adapt for student success based on individual need.

Alternate Education 9

This program is offered by Saskatchewan Rivers School Division for those students who are not achieving success academically and possibly socially in the regular classroom environment. Alternate Education is a hands on approach to learning!

Grade 9 Programs at Wesmor

- Full time Educational Associate in the classroom
- Reduced class size, more one on one assistance
- Individualized Programming Available
- Bussing provided for all students

Grade 9 Timetable

- Students take only 3 classes at a time
- 5 Blocks throughout the year
- Each Block is 2 months long
- Math and English are taught in the morning all year

The following courses are taught in the afternoon on the Block System:

- Block 1:** Phys.Ed. / Health
- Block 2:** Social Studies
- Block 3:** Fine Arts / Home Economics
- Block 4:** Science
- Block 5:** Industrial Arts / Computers

Hands On Learning with our Interactive Smartboards. All subject areas are taught at the students' individual levels and pace.
