

Administrative Procedure 232

DRIVER EDUCATION

Background

The Division believes it has an educational and societal responsibility to provide a training program for eligible students in the elements of safety and competence in the operation of a motor vehicle. The Division shall offer only the driver education course of study that is issued by Ministry of Education. The driver education program shall be contracted to a reputable driver education firm approved by the Board.

Procedures

1. The CFO shall arrange for the provision of driver education services.
2. Students 15 years of age and older who are registered in a Division High School shall be eligible for enrolment in the Division driver education program.
3. Reimbursement, at current contract rates, for middle years students who successfully complete the Division driver training program will be paid provided the students register for Grade 10 in a Division high school.
4. The principal, in consultation with the driver training instructor, shall establish the schedule of in-class instruction.
5. The principal, in consultation with the driver training instructor, may include July and/or August in the training schedule.
6. The driver education instructor shall provide:
 - 6.1 30 or more hours of classroom instruction; and
 - 6.2 Six or more hours of in-car instruction.
