

FACILITIES PLANNING

Background

The Division is committed to providing the high quality facilities in order to meet its mission, vision and beliefs.

The Superintendent of Facilities shall annually prepare and submit to the Director a draft revised five (5) year plan. The five (5) year plan shall include forecasting expenditures anticipated for new school buildings, major renovations and other major renovations for which borrowing of funds may be necessary.

Procedures

1. The five-year plan is updated by the Superintendent of Facilities in consultation with the CFO and the Director.
2. The five-year plan shall include:
 - 2.1 Demographic review and enrollment analysis.
 - 2.2 Current or proposed constructions.
 - 2.3 Current or proposed additions.
 - 2.4 Current or proposed alterations and reconstruction.
 - 2.5 Major repairs.
 - 2.6 Estimated costs.
3. Administrative support will be provided to ad hoc Board Facilities Committees as required.
4. The Ministry of Education Facilities Guidelines and Policy must be considered in completing the five-year plan.
