

Winter Songs and Rhymes

I Love Snow

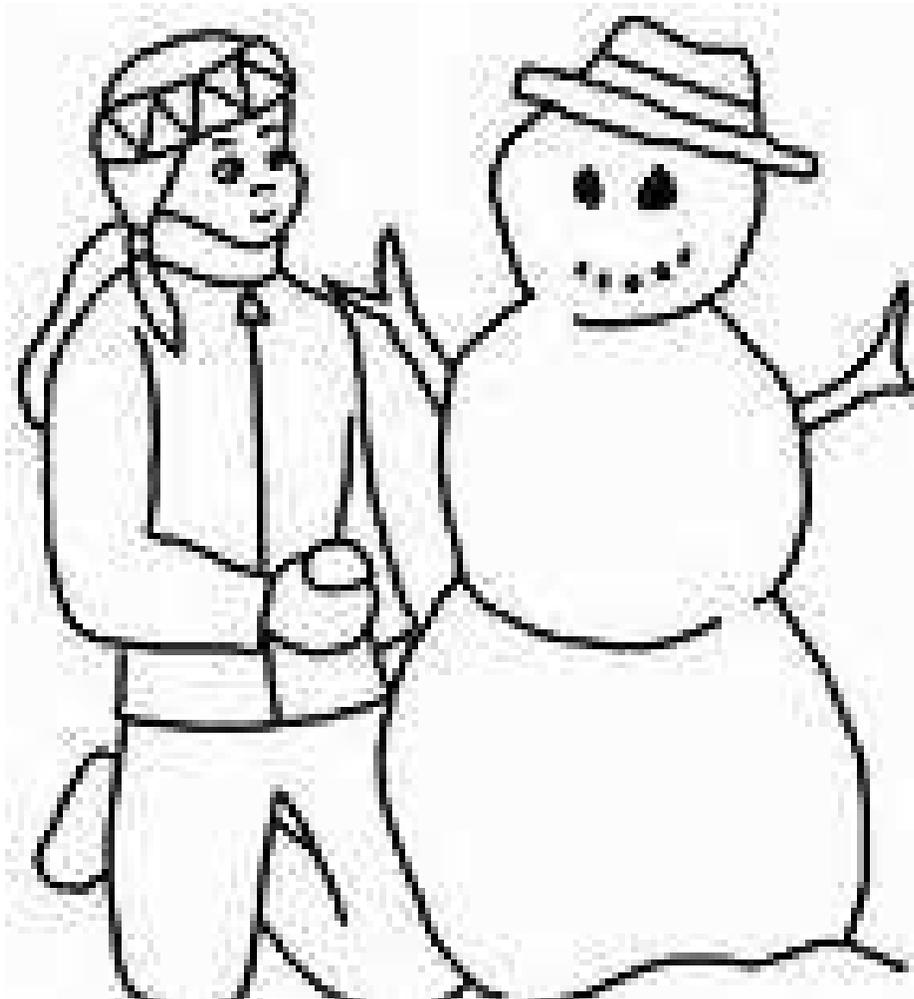

Sung to: "Three Blind Mice"

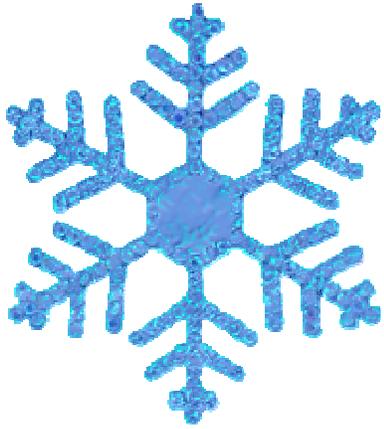

I love snow, I love snow.
Soft, white snow; Soft, white snow.
It falls on the ground so soft and white.
Sometimes it falls all through the night.
Did you ever see such a beautiful sight
As soft white snow?

Build a snowman

Tune: Are You Sleeping?

Build a snowman, build a snowman
Big and round, big and round
Sun is shining on him
Sun is shining on him
He's all gone, he's all gone

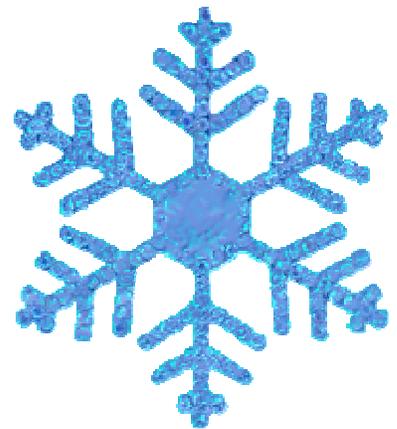

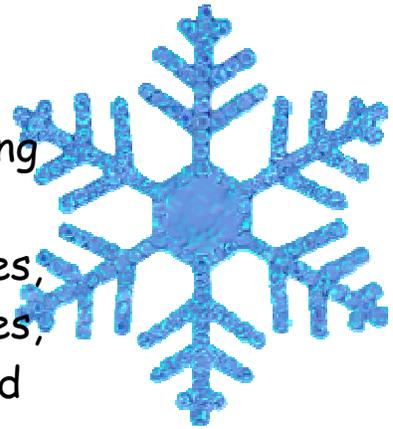

IT IS SNOWING

Tune: "Are You Sleeping?"

It is snowing, it is snowing
All around, all around
Soft and quiet snowflakes,
Soft and quiet snowflakes,
Not a sound, not a sound

The Frost is on the Trees

Tune: "Farmer in the Dell"

The frost is on the trees (point up)

The frost is on the ground (point down)

The frost is on the window (make window with hands)

The frost is all around!

The frost is very icy, (shiver)

The frost is very bright (cover eyes with hands)

The frost is very slippery (slide one hand over the other)

The frost is very white!

Puttin' on Mittens

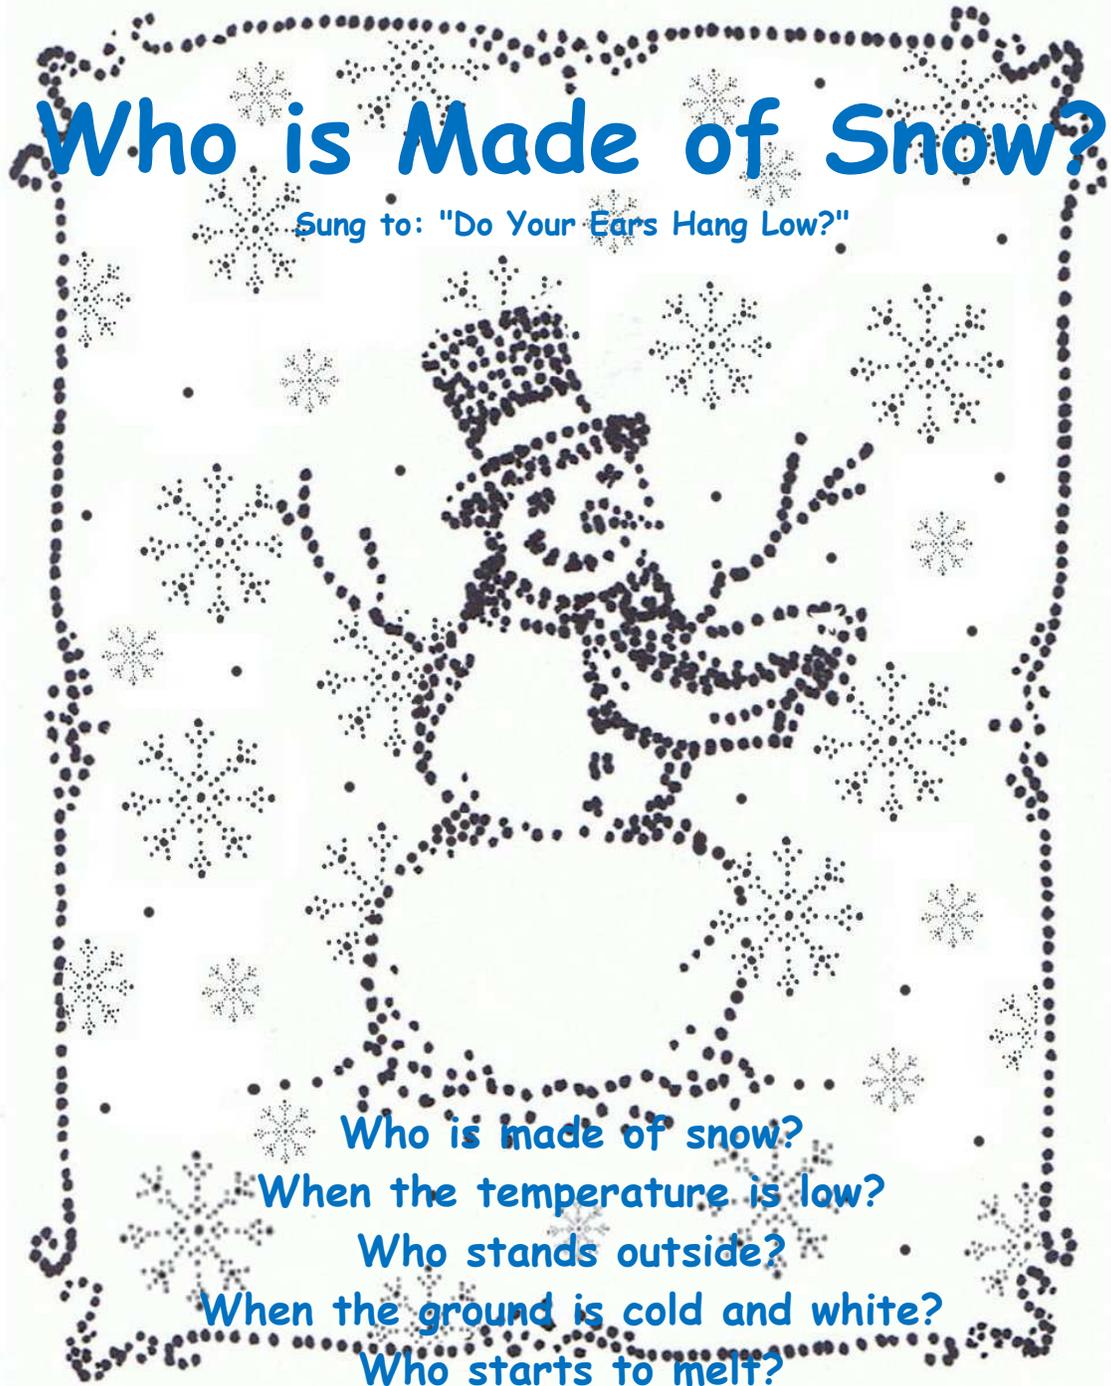

Sung to: "The Farmer in the Dell"

The Thumb in the Thumb place
Fingers all together
This is the song we sing
When it is mitten weather.

Who is Made of Snow?

Sung to: "Do Your Ears Hang Low?"

Who is made of snow?

When the temperature is low?

Who stands outside?

When the ground is cold and white?

Who starts to melt?

When the warm sunshine is felt?

Who is made of snow?

I Built a Snowman

I built a snowman (pretend to build)

Pat, pat, pat, (pat air three times)

He turned out great! (form circle with thumb and forefinger)

Now clap, clap, clap! (clap three times)

I patted snow (pat air on sides of snowman)

On his cheeks, cheeks, cheeks (pat air three times)

I put on a hat (pretend to place hat on head)

On his head, head, head, (touch head three times)

I made his mouth (touch mouth)

Gave him bread, bread, bread (touch mouth three times)

His button eyes are (point to eyes)

Pink, pink, pink (touch eyes three times)

I thought I saw him (tilt head to one side)

Wink, wink, wink (wink three times)

He looks so real! (nod head)

Like an owl, owl, owl (make spectacles with fingers)

I tweaked his nose (tweak nose)

Saw him scowl, scowl, scowl (frown)

The Snowman Song

Sung to: "Happy Birthday"

Here's a funny hat for you,
here's a funny hat for you.
It's a bobble hat, Mr. Snowman
What a funny hat for you!

Here are pretty eyes for you,
here are pretty eyes for you.
They are black stones, Mr. Snowman
What pretty eyes for you!

Here's a long stick for you,
here's a long stick for you.
It's a broomstick, Mr. Snowman
What a long stick for you!

Here's a big nose for you,
here's a big nose for you
It's a carrot, Mr. Snowman.
What a big nose for you!

Here's a little friend for you,
here's a little friend for you (rabbit)
He eats up the carrot,
what a pity for you!
