

Julie G. Darwin—Subdivision 5

I'm originally from BC, where I grew up along the remote BC coast taking many years of my schooling through the BC Correspondence School. I now enjoy living on just over 18 acres outside of Big River along with my family and many feathered and furry friends. I am a massage therapist and just recently got my certification in BodyTalk. As my mother grew up in Montreal, it means a lot to me that my children, in Grade 7 and Grade 4, have the option to be in the French Immersion program offered at Debden School. My stepdaughter who is in Grade 9, attends Big River Public High School where my husband is also the principal.

I'm greatly looking forward to the opportunity to be a representative of the families and students of Subdivision 5, which includes Shell Lake, Big River, Debden, and Canwood. I truly believe in the Sask Rivers motto and again, look forward to being part of making education excellent for everyone.
