Candidate Profile

Grant Gustafson

Saskatchewan Rivers Public School Board

Since choosing Prince Albert as our home in 1981, my wife Barb and I have raised a family, worked in and for the community, and look forward to eventual retirement here. During this time, I have served my community for 25 years working at SHARE, 16 years as a Habitat for Humanity volunteer and board member, and more than 20 years as a school board member.

If re-elected, I will continue to back the efforts of our staff to support student achievement in the face of increasing pressure from the provincial government, within the reality of financial limits. As the province considers “transformational change” to the delivery of education, my solid background, built over two decades of service, will be put to use in representing and safeguarding the needs of Prince Albert and area students.

Thank you for your support in the past and on Election Day, Oct. 26.
