

Jeanette Wicinski-Dunn—Subdivision 5

Hello Electors;

Jeanette Wicinski-Dunn-

I am married to Chad Dunn and the mother of our 2 children, Stephanie and Nathan, all four of us having received our graduation diplomas in Big River.

I am a small business owner in Big River, and have operated for 26 years. I have served as the trustee for Sask. Rivers public School Division for division 5, for the past 4 years. This board has allowed me to learn and develop myself in responsibilities, and to work collaboratively and effectively with other Trustees for a positive and forward thinking School Division. I hope to continue to represent Division 5 with my learned knowledge and commitment of the past 4 years.

I was one of the initial visionaries for County at the Creek Music Festival and have coordinated this event for the past 6 years. I have volunteered for the Canadian Country Music Association as well as the Saskatchewan Country Music Awards.

For 5 years I organized a “Walk for ALS” in Big River, and attended the Canadian ALS Conference in Ontario along with my daughter Stephanie.

In the past I have served on the Town Council in Big River for two terms and have been very involved in many organizations in the community. I was president of the Chamber of Commerce in Big River for a 2 year term.

I reside in Big River where I am the owner/operator of Mind, Body Spirit Salon/Spa & Clothing Room.
