

Bill Gerow—Subdivision 5

I am pleased to run as a trustee for the Saskatchewan Rivers School Division in Subdivision 5.

I have been a classroom teacher and a principal for over 30 years. I've been involved in Municipal government as well as volunteer positions with the Regional Park, Ski Hill, ATV club and the Snowmobile Club.

I have lived and worked in and around the Big River, Debden and Shell Lake area for most of my adult life.

I have always enjoyed working with students, parents and local activities . Being part of a community means helping students and young people to succeed to the best of their ability.
