As a true supporter of life-long learning, I believe it is time to create educational opportunities, which encompasses all community members and all aspects of our lives. For all ages and cultures.

I recently retired from Saskatchewan Rivers Public School Division after 20 years of being the Aboriginal Education Consultant and First Nation Metis Partnership Consultant. I have been on several boards and commissions within Prince Albert. I feel I can provide insight and perspective to meet the diverse needs of our community.

Thank you in advance for your support and I welcome any suggestions and concerns you may have.
