

John McIvor – Subdivision No. 4

I am pleased to run for re-election as a trustee for the Saskatchewan Rivers School Division in Subdivision 4. Serving the people of Shellbrook, Wild Rose and area is a task I take very seriously, and I look forward to the challenge. As a Trustee, I want to ensure that all students receive the best education possible.

I worked in the education profession for over thirty years, both as a classroom teacher and principal. Being involved in school life was always important to me. This involvement included working with students, parents, local boards, SCC's, division boards, and many professional organizations.

My family has lived in Shellbrook since 1985. Prior to that we lived in Debden. I believe I know the area well. Communities need volunteers and leaders to step forward and get involved. I have contributed my time and energy to do my share in our community. I am committed to doing the same for the ratepayers of Subdivision 4 and the entire school division.

Living and working in a small community has also been good for raising a family. Maintaining this quality of life requires effort on the part of citizens. Serving as a Trustee for SRPSD is one way I can give back to the community and area.

If re-elected, I will do my best to represent all residents of Subdivision 4 and the Saskatchewan Rivers Public School Division. I want to be involved in making our schools the best they can be for each and every student.
