### **Will Skopyk Memorial Scholarship – \$500**

The Skopyk family and the management and staff of Waskesiu Marina Adventure Centre are pleased to offer the **Will Skopyk Memorial Scholarship** in memory of our son, brother and friend Will Skopyk. Will excelled in academics, was an athlete, an outdoorsman, a musician and a friend. It is our hope that the recipient of this award will embody the characteristics that we admired most in him.

Will displayed a profound sense of loyalty to family, friends and community. He possessed a quiet strength that commanded the respect of those around him while simultaneously engaging and welcoming them into his life. Those that were close to him enjoyed the confidence of knowing that he was always present to support them. He brought out the best in others and his playful, friendly demeanor put others at ease regardless of their age or circumstance.

He was committed to a healthy and active lifestyle. He knew that this would enable him to achieve athletic excellence and to fully participate in the activities he held dear including boxing, camping, hiking, and travel. Will possessed the self discipline, determination and focus required to overcome challenges. He did not shy away from hard work and demonstrated the resolve to succeed in all areas of his life. He looked forward to imparting these values as an assistant boxing coach.

In athletic circles Will is remembered as having a "heart of a lion," but he also displayed a softer side that included an appreciation for arts and culture. He excelled in band and played the clarinet. He studied French, enjoyed cooking and developed an appreciation for architecture. Will was particularly struck by the re-building of St. Paul's Cathedral in London and it's likening to the Phoenix. This echo's his resolve to succeed and overcome challenges.

Will was a typical teen who loved gaming, cars and watching YouTube, but he also loved the wilderness. He was fortunate to secure his dream job at Waskesiu Marina Adventure Centre where he worked during the summers of 2017 and 2018. Will loved going to work each day and was equally loved by the Marina's management, staff and customers.

Will is deeply missed by all who knew and loved him.
