Mrs. Carrie Grant-Walker, Principal

Dear Families,

Thank you for choosing to register your child in the Distance Learning Centre (DLC) with Saskatchewan Rivers Public School Division. This new initiative provides the children of our school division with a unique opportunity to access education from their home environment. Because we are in the process of building our school community, we ask that you are patient this week while we sort out courses and online platforms so that we are able to provide the best possible distance learning program for your child.

For students in grades K-8, you can expect to have contact from your classroom teacher on Monday, September 14. Initially, work will be emailed to families until our Moodle platform is ready and accounts are created. Teachers will also include an introductory letter outlining expectations, learning outcomes, and assessment criteria.

For students in grades 9-12, the course offerings for Block 1 and 2 will be listed below. Please see the following dates for our first two blocks. Block 1 (Sept. 14-Oct. 30) and Block 2 Nov. 2-Dec. 18). Information about course offerings for Blocks 3-5 will be sent out in the coming weeks. Our high school teachers have nearly completed their courses and will be in contact with families soon with an introductory letter and course expectations. Students in grades 9-12 will need to commit to the entire block with the DLC in order to complete the course and earn credits at the 10, 20, and 30 level. Please note that Math 9 and English 9 will be offered over two blocks. Our teachers will assist students with their course selections and will provide guidance when needed.

Please watch your inbox for regular updates from the DLC as the staff is eager to begin connecting with students and families. You may also contact the DLC using the following email address: [DLCStaff@srsd119.ca](mailto:DLCStaff@srsd119.ca)

Sincerely,

Carrie Grant-Walker

Principal
