

## Brian Umpherville

Hi, my name is Brian Umpherville. I am a proud member of Indigenous community, born and raised in Prince Albert. As a young person, I attended school in the Sask. Rivers Public School Division. Now, my children are attendees of the school division. I am confident that Sask. Rivers Public School Division could benefit from having an Indigenous voice on the Board. I have previous board experience, as I was the IMFC Provincial Youth Board Rep and National Youth Board Rep. Since my educational period, I have been actively involved in my community through volunteering, professional work, sports and cultural activities. In my line of work which is in direct relationship with youth is Harm Reduction Specialist. If I am elected I would be able to bring new ideas and potential changes to the way that schools operate to meet new demands for twenty first century challenges.
