

Cherise Arnesen

Hello, Prince Albert. My name is Cherise. Here's how I can give back to the city of my birth. I have nationally recognized board member training that presently isn't represented on our public school board. I would bring a fresh set of eyes, excellent problem solving skills, financial acumen, a business perspective, and a collaborative approach. I currently sit on a provincial board. I also help to represent Saskatchewan interests nationally. I have the professionalism required to provide good oversight, mitigate risk, and vet strategy. As a former teacher, I taught in small town Saskatchewan, the big city of Saskatoon, out of province, and internationally. I know my way around a classroom. I want our students to have a bright future, starting today. Please vote me for so that I can bring my knowledge, education, experience, and expertise to the team that is growing our future leaders.

Address: 615 Chura Court

City: Prince Albert, SK

Postal Code: S6V 8E4
