

Darlene Rowden—Subdivision 2

I am seeking re-election for Trustee in subdivision 2, SRPSD.

I am proud of serving students, parents, staff and electors. I will continue to serve committees that advance student achievement, community involvement, board accountability, investment and innovation. In 2019, I'm proud to say our Board was awarded with the Premier's award for innovation for Student Trusteeship. The greatest reward is working with the whole SK River's team for the betterment of students and families.

My family and I live SW of Prince Albert and operate a cattle business. We have 3 children who all work in agriculture. I have volunteered extensively in 4-H and with the PAEX., I also serve on the Wapiti library board in St. Louis and always look forward to helping with community functions in MacDowall.

I am excited for the opportunity to serve as your Trustee again and humbly ask for your support.
