

## **Grant Gustafson**

I am a long-time Prince Albert resident, with more than 30 years in the West Hill along with my wife, Barb, and our family. Our children graduated from Saskatchewan Rivers schools and their children are now starting their school journeys, motivating me to continue serving as a trustee.

I bring a unique perspective to the board, with more than 24 years as a trustee, and 29 years working in mental health, including my current role as general manager at SHARE. Still enthusiastic about being a trustee, I chair four committees at the board level. I pay careful attention to the demands placed on staff, even more so now with the COVID-19 pandemic.

Thank you for your past and continued support. It has been a privilege to serve the students of our community and, with your vote, I look forward to continuing to be your trustee.
