

Jaimie Smith-Windsor—Subdivision 3

I'm seeking re-election as trustee for Subdivision 3, SRPSD.

I champion:

- innovation
- investment in education
- academic excellence
- robust rural education
- indigenous education
- student voice
- equity
- safe and healthy schools

I've served as Vice-Chair of SRPSD for 10 years and currently represent central school boards on the provincial executive of the Saskatchewan School Boards Association. I have a profound respect for teachers, administrators, support staffs and parents. Our collective efforts help students thrive.

I live in Lakeland with my husband Al and our three school-age kids. This year I celebrate 17 years as owner-entrepreneur of a successful residential construction company. I have a Master's degree (Political Science), am a published scholar and have held various university teaching and research positions.

I enjoy volunteering as a ski instructor for people with disabilities, biking, playing bass guitar and, above all, empowering young people.
