

## **Michelle J Vickers**

I was born and raised in Prince Albert and attended Riverside Community School and Carlton Comprehensive High School. I attended the University of Saskatchewan and The New England College of Optometry in Boston where I earned a Bachelor of Science and Doctorate of Optometry in 2011.

I am an optometrist in Prince Albert and am finishing up my MBA in HR management. In the process, I have obtained my Postgraduate certificate in Business Administration. In 2018, I completed my Fellowship with the American Academy of Optometry.

In seeking re-election, I will continue to serve all SRPSD communities and engage with staff, our community partners and will continue to focus on student achievement and wellbeing, and fiscal accountability.

I believe in public education and the value it brings to developing a life long learner in the pursuit of excellence.

I would appreciate your support and vote in November.
