

Heather Carter

My name is **Heather Carter** and I would like to introduce myself to you as a qualified and experienced candidate for School Board Trustee.

I completed my B. Ed. in 2008 and, in 2019, my Masters of Education in Curriculum and Instruction with a focus on Leadership for Inclusionary Practice and Indigenous Pedagogy. I believe that this study and my years of teaching experience combine to make me an ideal candidate for the role of School Board Trustee.

I have many years of experience working as a teacher in Saskatchewan schools and serving on a Board of Directors within the city. I am currently employed in the Adult Education sector in Prince Albert. As a Metis mother and teacher, I believe that I can bring a unique perspective on education to the School Board as they work to support the school division in its mandate of *Excellence for Every Learner*.

Address

Prince Albert, SK S6V 6Y3
