

Bill Yeaman—Subdivision 1

Hello Voters,

I welcome the opportunity to continue serving the voters of rural subdivision 1, Saskatchewan Rivers Public School Division as your elected member for the school board. Previously fulfilling a four year term has provided me with the experience and knowledge to become a more effective board member. In these difficult times, there are numerous challenges that lie ahead for both students and educators in our school division. During my term, I have developed the skills and knowledge to continue advocating for rural and urban students. I want to ensure that every student be given the opportunity to be successful. I humbly seek your support in the upcoming election for Saskatchewan Rivers Public School Division, so I may continue to be a voice for our students in this outstanding school division.

Sincerely,

Bill Yeaman
Rural Subdivision 1 trustee
