

Administrative Procedure 217

FRENCH IMMERSION

Background

In that French is one of Canada's two official languages, the Division encourages students to study in the French language where numbers warrant.

Procedures

1. The French Immersion program shall be the Type B French Immersion/Bilingual program.
2. Any student living within the boundaries of Saskatchewan Rivers Public School Division may be registered in the French Immersion program designated to their attendance area.
3. Transportation to those schools offering a French Immersion program shall be provided for those students living within the identified attendance area of their designated French Immersion program.
4. The French Immersion program shall be operated under the regulations and guidelines as prescribed by Ministry of Education.
