

BOARD HIGHLIGHTS

October 20, 2025

Meeting With The Minister of Education

As part of its advocacy efforts, the Board met with Minister Everett Hindley and MLAs Darlene Rowden and Kevin Kasun on October 16, 2025. The conversation focused on key points from the Board's advocacy plan and building an understanding of the unique needs of our school division. The Board also had the opportunity to highlight the successes and ongoing challenges in the division. The meeting was a valuable chance to engage directly with the Ministry and to advocate for the needs of our local schools.

Student Achievement & Learning Improvement Plans Accountability Reports

A group from John Diefenbaker Public School presented to the Board as part of Superintendent Jennifer Hingley's Accountability Reports. The group walked through their school's journey in building capacity with their staff through the use of SRPSD's learning models, key resources, and embedded coaching. The belief that through alignment of academic interventions and student engagement, the staff can positively influence student outcomes, as a strategy to increase student achievement at John Diefenbaker. Principal Jenna Cross shared the successes in their school with student reading results, as well as the improved culture and community in the school. The Board was highly engaged in the presentation and learned more about the effective learning strategies being built in our schools.

Welcome to the 2025/26 SRSC Board Representatives

The Board welcomed Student Board representatives, Tye Vaughan and Abby Ellis, from the Saskatchewan Rivers Students for Change group. Abby, who sent her regrets, represents urban students and attends Victor Thunderchild Public High School, and Tye represents rural students and attends Canwood Public School. Tye gave a report outlining the SRSC's work so far this year, developing relationships among schools, and learning their roles as executive members of the organization.

School Tours

The Board recently spent time visiting five schools across the division as part of the Board's ongoing commitment to staying connected with students, staff, and school communities. The Board extends a thank you to the school communities of Meath Park, Christopher Lake, Spruce Home, Red Wing, and Wild Rose for the warm welcome. The school tours provided an opportunity to see learning in action, celebrate innovative practices, and engage directly with school teams about their accomplishments and challenges. Trustees were able to observe the many ways that Saskatchewan Rivers Public School Division schools foster excellence for every learner. These visits help ensure that Board decisions continue to reflect the needs of students and staff across the division.
