

BOARD HIGHLIGHTS

September 8, 2025

Welcome Back

The Board wishes a warm welcome back to our staff, students and communities. The back to school season is filled with so much excitement for the possibilities of the year to come. Our staff began learning before students arrived with the annual SRPSD Ready-Set-Go conference, as well as the division Professional Development day that offered targeted sessions focused on instructional practice. Even though the year has just begun the Board is already anticipating the excitement of attending school events!

Human Resources Accountability Report

Superintendents Jeff Court and Cory Trann delivered the Human Resources Accountability report to the Board in their most recent meeting. Highlights of the report include the success the division has had in ensuring specialized roles, such as French Immersion and Indigenous Language positions are filled with qualified teachers. Superintendent Trann commented that the successes in Human Resources comes from the caring people we have in our classrooms and beyond to support our students.

Board Reviewed Annual Board Development Plan

Vice-Chair Alan Nunn reviewed the focus of the Board Development Plan for 2025-2026. The long term plans include choosing two areas of the Strategic Plan to focus on each year for the learning development of the Board. This year the Board is focusing on Mental Health and Well-Being and Inclusion and Cultural Responsiveness. The Board will meet with senior administration and other division staff to learn about the work being done in these areas to further understand the governance implications of their work. The Board has also set time aside over the course of the year to review policy to ensure it aligns with the strategic vision.
