

Carlos Correa - Subdivision 2

As a dedicated advocate for students and families, I bring a wealth of culturally enriched experience to the Board. Educated in Public Relations and Organizational Communications, my work experience as Settlement Worker in Schools has equipped me with an understanding of the challenges newcomers faced and the importance of inclusive education. As an International Student Advisor at Saskpolytech, I have guided countless students towards achieving their academic and career goals. Being a Board member at the PAMC has further enhanced my perspective on diversity and community engagement. Additionally, being a coach has taught me the value of teamwork, discipline, and mentorship. I am committed to fostering an educational environment where every student can thrive, regardless of their background. After years of being a member of the SCC, and as a current parent of kids at East Central, I know that together, we can build a stronger, more inclusive school community.
